

# PRESENTING

## A GREAT LOOKING DRAFT BEER

MINUTE TRACES OF SOAP, GREASE AND DUST DUE TO TOWEL DRYING OR INSUFFICIENT BRUSHING AND RINSING DISTURB THE SENSITIVE TASTE AND COLOR BEER.

EVERYONE TASTES WITH THEIR EYES FIRST. SIMPLY, IF IT DOESN'T LOOK GOOD, IT WON'T TASTE GOOD. A CUSTOMER WILL REJECT OR NOT ORDER A SECOND DRINK BASED ON POOR APPEARANCE ALONE.

### IS YOUR GLASS BEER READY?
